Hans, Please Pray for these young women and all of the 192 hostages who remain in Gaza.

The Good News of the release of 50 hostages is only good news for some families, but others are still living in agony. The girls above will remain in captivity.

Hamas and Iran are reveling at everything that is happening, their strategy is working. They now know that Israel will do anything to release Jewish hostages.

Many Israelis disagree with this hostage deal which creates psychological warfare against the Jewish people.

And according to Israeli Defense Minister Yoav Gallant, **the war will continue for months. However, this war might last for a year leading into the prophesied war of Ezekiel 38.**

The blood of a Jewish person killed in their home by a Gazan.

Let us not forget that 1400 innocent Jews were slaughtered and burned alive in their homes during the morning of the Jewish holiday of Simchat Torah, 7 weeks ago.

Please support our ministry in Israel today,

At the top of this email, the young Israeli Jewish women in the photo are smiling.

For the past 51 days since they were violently abducted and taken into Gaza, **they have never smiled.**

Captured Hamas terrorists confessed that Hamas fighters raped young Jewish women.

One Israeli Jewish father who has two missing daughters said: *"I close my eyes [thinking of them] and they are either being raped in Gaza, or they are dead."*

Are you a mother, a father, a brother, a sister?

Please take time to pray asking God to send His angels and His Spirit to protect them and to give them hope and faith. **In Acts 5**, an angel of God opened the door of a jail and led them out. **In Daniel 6:21**, God sent an angel to shut the mouths of the lions and **in Daniel 3:25** there was a fourth man (an angel) in the fire, and no one was burned.

The book of Amos chapter 9:14,15 is about the last days of which we are living in now. This is another scripture that prophecies that God has brought the Jewish people back to the land God gave them.

"And I will plant them on their land, and they shall no longer be uprooted from upon their land, that I have given them, says the Lord your God."

Hans, if you Stand with the God of Israel
