

As Jews commemorate Yom HaShoah, the slaughter of 6 million Jews, we remember, too, the continual threats to the Jewish people, including even today. We mourn those we've lost, pay tribute to those who survived against countless odds, and stand by our commitment to ensuring a strong Jewish state that will always provide a haven for Jews worldwide.

*Magen David Adom is Israel's emergency services system. A leader in mass-casualty response and EMS technology, Magen David Adom treats and transports nearly 1 million people to hospitals every year; collects, safety tests, and distributes nearly all the blood to Israel's hospitals; and, through its affiliation with the Red Cross movement, responds to disasters around the world.
